"There Isn't One Really Good Printer in Five Hundred."

Printers' Ink—the leading journal on publicity of all kinds—has the following to say: "There are thousands of printers in this country, good, indifferent, and a lot of bad ones. There isn't one really good printer in five hundred. Intelligent advertisers are willing to pay for good printing, no matter where it comes from." "Printers' Ink" knows what it is talking about. Poor printing is a bad investment—it's worse than a blank. A business man's stationery or booklet is like a traveling man—if it's neat, well-dressed and to the point, the first impression is good and your chances of doing business on the strength of it are good. We realize this. We keep abreast of the times. We know what good printing is and produce it. We are pretty careful not to let a bum job get out our presses. No press in the country can better our printing and we want you to know it. HAVE THE DAVIS PRINTING HOUSE PRINT IT. PUBLIC LEDGER BUILDING.

The White Waist Sway

A sensible partiality—the sway of White Shirtwaists. And there is no monotony about it when the waistings are as distinctive as these. The little individual touches, the taste in cut and trimming will make them as diversified as if they were in different colors. The trio registered below shows the newest, prettiest fabrics. It's a good deal to say "new materials" this late in the season. But investigate.

By the way, have you noted the strange absence this season of the ordinary house fly?

It may sound a trifle harsh; but Maysville can very well spare a few more "toughs"—if the Police will only shoot straight.

The Union drivers and teamsters of Cincinnati have shown rare good sense in refusing to strike, just to please a few high-salaried local Walking Delegates.

The Secretary of the Treasury is just beginning to find out what THE LEDGER knew months ago—that the St. Louis World's Fair will be the colossal financial failure of the age.

The dear old town is waking up at last! As an earnest of the universal desire to have the Continental Tobacco Company locate one of its big plants here the City Council has ordered an election for an expenditure of \$12,000 to build a long-needed sewer beginning at Third and Wood streets in the Sixth Ward and extending to Commerce street in the Fifth Ward. This sewer is demanded just now to drain the pond at Third and Union, the site selected for the proposed tobacco warehouse, but it has been for many years an urgent necessity to the residents of the East End. THE LEDGER begs that every voter will favor this improvement; and then it begs that the city authorities will employ a competent Engineer to prepare the plans for at least a three-foot sewer, and to superintend its construction. The people have paid enough for jacklegs and botchwork.

Mr. E. L. Singleton, one of Flemingsburg's old and respected citizens, died Monday, aged 85.

NOTICE

TO THE STOCKHOLDERS OF THE MAYSVILLE AND BIG SANDY RAILROAD COMPANY, COVINGTON SHORT ROUTE TRANSFER RAILWAY COMPANY AND LEXINGTON AND BIG SANDY RAILWAY COMPANY.

In accordance with the provisions of the Statutes of Kentucky, notice is hereby given that the Directors of the Maysville and Big Sandy Railroad Company, of the Covington Short Route Transfer Railway Company and of the Lexington and Big Sandy Railway Company, intend to consolidate the said corporations on the first day of July, 1904, and have accordingly prepared articles of consolidation, a copy of which may be seen at the office of W. H. Wadsworth, Esq., Attorney-at-Law, in the city of Maysville, Ky.

C. E. WELLS, Secretary of each of said companies.

The standard of value is quite variable when applied to damage suits against a railway company. In one day two suits were filed against the C. and O. at Covington. One was for \$2,000 for a man's life; the other was for \$20,000 for a man's leg—and only an injured leg at that. The Jury that can adjust these values will be in fine fettle to tackle the brick-and-a-half-a-brick puzzle, or how old was Billy Paterson.

At Frankfort, just prior to the recent Democratic Convention, Mr. ROBERT B. FRANKLIN, representing Judge JAMES E. CANTRILL, made an hour's speech urging the Democrats to defeat the Beckham Administrationites. But when the Convention got to work the Beckhamites literally mopped up the earth with the Cantrillites. Have FRANKLIN and CANTRILL, heroes of the persecution so long and bitterly waged against CALEB POWERS and JIM HOWARD, at last lost their grip?

In the fiat of the St. Louis Anarchist Society that all fat men be killed is evidenced that order's antipathy to cheerfulness. That hilarity is conducive to the accretion of adipose tissue is established in the saw, "Laugh and grow fat." Also copious indulgence in water is accredited as an encouragement to fleshiness. The Anarchist is a deadly enemy of both—an established fact, but emphasized in this order of extinction. Much has been borne from the bewhiskered guild of bomb and beer, but when attempt is made to limit the citizenship to the lean and hungry class of humanity the period of indulgence has reached its extremity.

Commencement at the Washington Opera-House Tomorrow

GRADUATION

Sis is goin' to graduate;
Mother works till awful late;
Got a lot of wimmen too;
Guess they never will get through.
Gemmamie, when they all come
How that old machine does hum;
Every woman sits and sews,
Makin' graduation cloze.

Sis is goin' to graduate;
Things is in an awful state;
Cloze is piled up six feet deep;
Ain't no place to eat her sleep.
Things is in 'pin' on the chairs,
Table, bed, an' every where;
Every place a feller goes
Hast' keep away from cloze.

Sis is goin' to graduate;
She's shoppin' a fearful rate;
Hugin' hats an' gloves an' shoes,
Lose an' hundred dollars—jest sloughs.
Never gets to school no more.
Graduation's such a bore;
Keeps her busy makin' bows
For her graduation cloze.

Sis is goin' to graduate;
Gee! it must be somethin' great;
Relatives 'll all be here,
Stringin' in 'em far an' near;
Rushin' in an' runnin' out,
Can't find what it's all about;
But from what I see I s'pose
Graduation' jest means cloze.

The Commencement of the Maysville High School will take place tomorrow at the Washington Opera-house, when a class of eighteen will graduate.

"CHEERFUL AGAIN"

The Joy of Life Was Given Back to This Weary Girl By the Celebrated Nerve Tonic and Tonic.

PAINE'S CELERY COMPOUND

IT GIVES ALMOST INSTANT EFFECT.

With perfect confidence tired, run-down women and girls may take Paine's Celery Compound secure in the certainty that it is neither a patent medicine or a secret. Every ingredient of this great remedy is known by every responsible physician in the land, and prescribed by them constantly. The great remedy—formulated first by the eminent Professor Edward E. Phelps, M. D., LL. D., Dartmouth University's Great Physician—is compounded of gentle medicaments prescribed daily by the highest members of their profession.

"I have much pleasure in telling you how much I owe to Paine's Celery Compound. For several years I suffered so much from nervousness and sleeplessness that I was about tired of living. Paine's Celery Compound not only quickly gave me back health, but has restored all my former cheerfulness and joy of living."
—Lena McMillen, No. 16 Eighth street, Pittsburgh.

A CONTINUAL STRAIN.

Many men and women are constantly subjected to what they commonly term "a continual strain" because of some financial or family trouble. It wears and distresses them both mentally and physically, affecting their nerves badly and bringing on liver and kidney ailments, with the attendant evils of constipation, loss of appetite, sleeplessness, low vitality and despondency. They cannot, as a rule, get rid of this "continual strain," but they can remedy its health-destroying effects by taking frequent doses of Green's August Flower. It tones up the liver, stimulates the kidneys, insures healthy bodily functions, gives vim and spirit to one's whole being, and eventually dispels the physical or mental distress caused by that "continual strain." Trial bottle of August Flower, 25c; regular size, 75c. Sold by Henry W. Ray, Post-office Druggist.

Colonel R. B. Lovel has placed The Ledger Man under renewed obligations for a box of luscious strawberries that for immense size take the ribbon. Death of Many Sudden Deaths.

is a disease prevailing in this most dangerous because so deceptive. Many sudden deaths are caused by it—heart disease, pneumonia, heart failure or apoplexy are often the result of kidney disease. If kidney trouble is allowed to advance the kidney-poisoned blood will attack the vital organs, causing catarrh of the bladder, or the kidneys themselves break down and waste away cell by cell. Bladder troubles almost always result from a derangement of the kidneys and a cure is obtained quickest by a proper treatment of the kidneys. If you are feeling badly you can make no mistake by taking Dr. Kilmer's Swamp-Root, the great kidney, liver and bladder remedy. It corrects inability to hold urine and seething pain in passing it, and overcomes that unpleasant necessity of being compelled to go often through the day, and to get up many times during the night. The mild and the extraordinary effect of Swamp-Root is soon realized. It stands the highest for its wonderful cures of the most distressing cases. Swamp-Root is pleasant to take and is sold by all druggists in fifty-cent and one-dollar size bottles. You may have a sample bottle of this wonderful new discovery and a book that tells all about it, both sent free by mail. Address, Dr. Kilmer & Co., Binghamton, N. Y. When writing mention reading this generous offer in this paper. Don't make any mistake, but remember the name, Swamp-Root, Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y., on every bottle.

Insanity, Death or Health?

No. 2807 Locust Street, St. Louis, Mo., March 29, 1908.

I was a victim of sleeplessness and extreme nervousness for eighteen months, unable to get a proper night's rest and feeling tired and worn out continually. I was easily irritated and hysterical at the slightest provocation, but Wine of Cardui gave me great relief. Within a week after I began using it I had my first real good night's rest that I had had for months. My appetite was soon restored, my general system toned up and nervousness became a thing of the past.

I am so pleased to acknowledge the great curative merit of your health giving medicine and gladly endorse it.

Harriet O. Best
CHAIRMAN, LADIES OF HONOR, No. 97.

WINE OF CARDUI

We want to call your attention to the complete and immediate relief Mrs. Best secured by taking Wine of Cardui. Within a week after she began taking Wine of Cardui, Mrs. Best had her first good night's rest for eighteen months. Her restlessness was caused by nervousness and Wine of Cardui, as the best menstrual regulator, has no superior in the world as a medicine to soothe a woman's nerves. Nervousness and hysteria are warnings of the approach of insanity and if relief is not secured the end can only be the asylum or the grave. With such an outlook as this before her, no suffering woman can reasonably refuse to give Wine of Cardui a trial. It brings a cure that thousands of women have sought for in vain. Will you secure a bottle of Wine of Cardui today and start treatment?

All druggists sell \$1.00 bottles Wine of Cardui.

KICKERS' CORNER

If any one at any time for any reason has any cause to "kick" in any way at anything of any kind, here's the place to say his say. The door is open—walk right in and help yourself, free gratis and for nothing—but don't make your "kicks" too long—it's the short, quick fellows that count—and cut.
